

I live in a house with a one-year old child.  
She makes all kinds of sounds  
Walks with abandon  
Crawls into the rain

Most of the time  
The adults around her  
Spend our energy trying to convince her  
to say our words  
To walk like us

Weeee-ga-ga  
Hih hih wah-ga  
Kah kah keeeee  
humpf

Say: He-llo Kih-moh-thee.  
Is that Mah-mee?  
Good-bahee Da-dee!

Beeel pfffff  
Ah gee

Yes! Doggy!\*

*\*(We succeed in spite of her)*

Make up three words this week.  
Speak nonsense at least once.  
Remember your intense capacity to be a collaborator  
in all things new.
